

Weather & Seasons Activities for Friday

On the Move

Winter Scooping Station

Even though the weather is warm, cool off in your very own Winter Scooping Station!

Materials:

- Ice
- Blender
- Large bowl or container
- Ice cream scoop
- Measuring cups
- Drinking cups

Instructions:

1. Pour ice into the large container or bowl.
2. Blend some of the ice in your blender for a softer, snow-like texture. Add to the large bowl/container.
3. Add in various scooping materials, such as the ice cream scoop, measuring cups, drinking cups, etc.
4. Allow your child to scoop, dump, and mix the ice utilizing their desired scooping tools.

Arts and Creativity

The Weather Song

We talk about weather all the time with toddlers, so why not have fun singing a song about weather!

Weather, Weather

(Sing to the tune of Twinkle Twinkle Little Star)

Weather, Weather
What will it be?
Is the sun out?
Or will it rain on me?

It could snow
Or be windy too
The sky might be cloudy
Or bright blue

Weather, Weather
What will it be
Is the sun out?
Or will it rain on me?
